Student Testimonies

2017-2018 Always has relevant questions ready to work through with the class. I like that he splits us into groups and makes us discuss everything rather than letting just one or two people talk.

2016-2017 Favourite seminar teacher. Explains everything thoroughly and I ALWAYS come away from the seminar having learnt something!

2016-2017 Jack Tomlin's seminars are engaging and do well to connect his students to the subject. He is friendly, knowledgeable and approachable, which makes his sessions entertaining and enjoyable on a regular basis.
